Mercy

Gina Ogilvie

This collection of songs was inspired by reflecting upon what mercy means. What place does mercy have for us personally and in the wider community? How does mercy inspire us to reach inside ourselves so that we may be able to reach out to others with compassion?

It is hoped that these songs may provoke a deeper understanding of mercy, provide a means to deeply encounter the mercy of God, and inspire each of us to bring the Light of Mercy to our world courageously, compassionately and without reserve.

Tracks:

1. Light of Mercy
2. The Circle of Mercy
3. Mercy from the Heart of God
4. God of Mercy Chant
5. We Gather at Your Table
6. With Your Grace
